Friday 2nd October

Homework – Year 1

Computing

As part of our computing sessions, we have been thinking about how we can keep safe online.

Tell your grown-up three things that you can do to stay safe online.

Grown-ups please talk to your child about this, especially if they can't articulate any ideas.

This is a useful link:

We have watched episodes 1 and 3 so it may be useful to watch them with your child and talk about it.

RE

In RE this week, we have been talking about celebrations.
What have you celebrated as a family recently?
We have linked this topic to celebrating harvest too.

Can you remember the poem we are going to say in church next week?

We are looking forward to seeing you there!
