Walk and Talk Board

Year R – Maple and Sycamore

Week Beg. 09.11.26

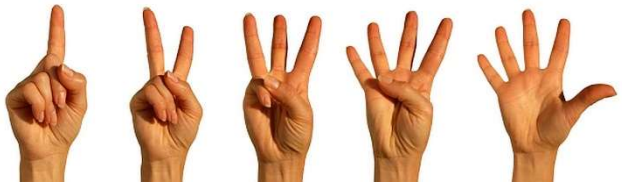

Talk to your child about…

Remembrance

We have learnt about Remembrance Day.
Can your child tell you why we wear Poppies?
Can your child draw or make one?

Maths

Can you play the 'Speedy Fingers' game? Your grown up says a number and you make it behind your back with one hand. You can swap roles. Can you tell your grown up how many fingers without counting?

Literacy

This week we have shared the traditional tale, 'Goldilocks and the Three Bears'.

Can your child re-tell you the story? Encourage them to use different character voices for the different bears.
